

The Cottage Shop

Welcome to the beauty of the Outer Banks, and the excitement of setting up your new or refurbished beach home.

The Cottage Shop was designed by Kellogg Supply Company to fit the specific needs of cottage owners. Kellogg Supply Company has been doing business on the Outer Banks since 1946, providing hundreds of Cottage Packages. After the initial planning stages of your structure and furnishings, it is time to purchase your housewares, bedding, bath, decorative accessories, outdoor and recreational items. Our qualified staff can assist you in making selections to fit your needs.

To make this task easier, more enjoyable and more affordable...we have created all-inclusive Cottage Packages. Planned to accommodate homes ranging in size from 16 to 32 guests, our packages can be expanded in multiples of four to accommodate any number. Bedding and bath packages are also available with the purchase of a Cottage Package as well as our selection of casual outdoor furniture.

All items in our Cottage Package were selected for their quality, durability, color selection and conform to the stocking requirements of most rental companies on the Outer Banks. You may also refer to our package add-on sheets for additional items to make your cottage comfortable, efficient and stylish.

For your convenience all of our china, glassware, flatware and bedding are available in open stock to facilitate replacement in the event of breakage or loss. If you have need of a service to unpack, wash and set up your Cottage Package, we can recommend a reliable service for you.

We offer all our package customers a one-time "Return Visit" discount on merchandise purchased after their package has been delivered and installed. This includes all store merchandise.

There are always last minute details when outfitting a home and we are here to help! We invite you to visit our locations in Duck, Nags Head and Buxton!
